Dear Mr. Stabile:

After careful review, we have decided that your registration with the Boy Scouts of America should be denied. We are therefore compelled to request that you sever any relations you may have with the Boy Scouts of America. A check for a refund of your registration is enclosed.

You should understand that BSA membership registration is a privilege and is not automatically granted to everyone who applies. We reserve the right to refuse registration whenever there is concern that an individual may not meet the high standards of membership which the BSA seeks.

If you wish to have this decision reviewed by a BSA regional review committee, please write to the regional director within 60 days of the date of this letter, explaining your version of the facts supporting your claim that your registration as a BSA member should be granted. The procedures for a review of this decision are attached.

Sincerely,

Charles I. Lanham, Jr.
